Welcome Back 4-H Program Assistant Beth McIlquham!

Hello again Pierce County 4-H Families!

As some of you know, my name is Beth McIlquham and I am back as Pierce County's Fall Program Assistant. I am so excited to work with and get to know our new educator, Sky Holt! Just from our short time together towards the end of summer, I know that she is interested in creating some awesome experiences for Pierce County 4-Hers.

When I was a young 4-Her, I participated in camps, activities, fairs, and multiple projects. Even through all of my experiences, I never truly saw everything that goes on behind-the-scenes. Over the summer, I was granted a "backstage pass" to 4-H and I was intrigued. I learned more than I am even aware of and I am grateful for all the experiences I had.

After my last day as the Pierce County Summer Intern, I started my life as a Falcon at the University of Wisconsin-River Falls. I am majoring in animal science with a meat animal science emphasis. So far, I love my classes and hope to get the most out of my experience by making friends and joining a club or two.

Over the next few months, I hope that I can continue to grow and learn in both leadership positions and social involvement. I am very excited to participate in programming, introducing new families to 4-H, and meeting more Pierce County 4-Hers.

It's great to be back and I can't wait to see you all!

4-H Pledge

Head, Heart, Hands, and Health are the four Hs in 4-H, and they are the four values members work on through fun and engaging programs.

I pledge my **HEAD** to clearer thinking, my **HEART** to greater loyalty, my **HANDS** to larger service, and my **HEALTH** to better living, for my club, my community, my country, and my world.

4-H Enrollment opened up for the 2021-2022 4-H year on Sept. 7th

4-H Clubs to Create Newest Cedar Crest Ice Cream Flavor: Entries Now Being Accepted

Madison, WI [August 1, 2020] — [Cedar Crest Ice Cream](#), Cedarburg, Wisconsin, and the [Wisconsin 4-H Foundation](#) have teamed up again to present the “Cedar Crest Ice Cream 4-H Flavor Contest” for Wisconsin 4-H clubs. More than 1600 clubs are eligible to create and submit a flavor ‘recipe’ with the top clubs named as finalists, and the top flavor produced for summer 2022.

According to Brenda Scheider, Executive Director of the Wisconsin 4-H Foundation, the contest is a great opportunity for 4-H youth to work together to develop and name their flavor. “The most exciting part of the contest is the winning flavor will be available through Cedar Crest beginning next July.” The annual contest has already yielded popular flavors including Deep Woods, created by the Baraboo Valley 4-H Club and Wisconsin Campfire S’mores, created by the Springbrook 4-H Club of New Richmond. This year’s winning flavor was Tractor Tracks, created by the Country Clover 4-H Club in Green Lake County.

A panel of ice cream experts chosen by Cedar Crest judges the entries. The company manufactures more than 80 flavors of ice cream, along with frozen custard, sherbet and sorbet at its Manitowoc, Wisconsin, plant, and distributes products in five states. Many of the flavors now produced by Cedar Crest, including Wisconsin Campfire S’mores and Big Muddy, are a result of the contest.

More information and the entry form are available at www.cedarcresticecream.com. Entries are due by November 12, 2021. The winner will be announced in December 2021.

Based in Madison, WI, the Wisconsin 4-H Foundation provides essential funding for 4-H programs throughout Wisconsin. By partnering with individuals, corporations and foundations, the Wisconsin 4-H Foundation supports more than 150,000 youth who take part in various 4-H leadership, development and community-building activities throughout the state. Learn more about the Wisconsin 4-H Foundation at www.Wis4HFoundation.org.

Tid-bits from the Fair Office

To All Superintendents and Helpers at the Pierce County Fair:

A big thank-you to all of you that helped out on Entry Day, Judging Day, Check Out Day, or any other miscellaneous task that the Fair Office asked you to do. Without your help, the fair would not have run as smoothly. Thanks a million for volunteering and we hope to see you at the Fair next year!

- **The Fair Staff - Ann, Matt, April, Brooke, and Matt's Crew**

Plaques and Premium Sponsors

There are many area businesses, 4-H Clubs, and individuals who donate time, money, and plaques for the Fair. Please take time to send a thank you to them for their support if you were awarded a trophy or plaque. Their information is listed on the back of your plaque.

Recycled Ribbon Program

Have you ever given a thought as to what to do with all your Pierce County Fair Ribbons? How about recycling them? If you happen to have any old ribbons, instead of throwing them away, we would love them back to reuse again. Of course, they need to be in good condition and not have any writing on the tag. Please drop them off at the Fair Office or give them to your club leader. We will accept Jr. Fair and Open Class ribbons. If you aren't interested in keeping all your ribbons, please consider donating them back to the fair. As budgets continue to tighten, every little bit helps.

****2021 PIERCE COUNTY FAIR premium check Disbursement****

All 4-H/FFA Fair premium checks will be mailed out to all exhibitors that receive premiums.

Please watch your mail for your check and **CASH IT IMMEDIATELY!** It is important that even the smallest check is cashed. They will be mailed out the last week of September, the first week of October.

State Trips

Thank you for your continued patience and understanding as Wisconsin 4-H worked through transitions plans for state trips. We know that many of you have been waiting on this information in order to share with members and plan for the upcoming year.

Arts

State Art Teams (Arts, Communication, and Drama) – We are currently wrapping up this year's State Art

Teams. Although programming looked different in 2021, the volunteers who provided leadership for each team and the young people who engaged and participated had a great year and are looking forward. There was a final State Teams Workshop Weekend in August and the adults currently working with each team are planning to provide leadership and support in 2022. Applications for the State Teams will be available in October through 4H Online.

State Arts Camp and ArtBEAT! – Unfortunately, we will not be able to offer a State Arts Camp in October 2021.

State 4-H Photo Display – There have been a lot of questions surrounding the State 4-H Photo Display and we apologize that we have not had more information. The State 4-H Photo Display has previously been organized and the top photos selected by the State Photo Advisory Team. With COVID the State Photo Advisory Team has not connected. We are working on reconnecting and looking at plans for the future.

State Experiences

Youth Conference

We are hopeful that in 2022 we will be able to offer a youth conference back on the UW-Madison Campus with a new focus and direction.

National 4-H Congress

At this time we are planning on traveling to Atlanta, GA with a delegation of 43. The National 4-H Congress Design Team is closely monitoring COVID around the country and will continue to evaluate the situation and plan for the safest experience possible. Correspondence was sent to all registered Wisconsin youth leaders last week.

We are excited to be traveling and participating in National 4-H Congress and we understand that there are still a lot of questions and concerns from youth and families. As we receive information, we will be sharing with you and registered participants. If questions/concerns come to you, please have them reach out to Justin and Matt.

National 4-H Conference

We know National 4-H Conference will happen in the spring of 2022; however, we do not yet have details. Applications for National 4-H Conference will be available soon through 4H Online, with selection in early 2022.

National 4-H Conference is a pinnacle civic engagement experience, providing a unique opportunity for young people from across the nation to connect, learn, engage, lead and plan for ways to impact their communities, their nation and their world. National 4-H Conference Delegates work together to prepare briefings on important topics and then present their prepared briefings to federal officials in Washington, D.C. While participating, young leaders also have the opportunity to

engage in personal development experiences that increase their knowledge, resources, and skills while discussing topics affecting youth and 4-H programming nationwide. Delegates not only learn while at the National 4-H Conference, they are empowered to create positive social change in their communities and have the opportunity to practice and apply their skills in a real-world setting.

American Spirit - It is our hope to have information available regarding American Spirit 2022 by October.

Space Camp - WI 4-H will not be offering Space Camp in 2022.

CWF

National 4-H Council is planning on holding a Citizenship Washington Focus (CWF) in Washington DC next summer. Information regarding the 2022 CWF has not been shared with states. The experience is still in the planning stages as National 4-H Council evaluates past programming efforts and looks at securing a new location for the experience.

WI 4-H Leadership Council

[Applications](#) are available for the WI 4-H Leadership Council. If you are looking to further develop your leadership skills and connect with and support the State 4-H Program, please apply today!

Fall Forum

Registration for Fall Forum will open next week!! Our hope is that 4-H youth leaders, adult volunteers, and staff from around the state will come together on Saturday, November 6 to connect, collaborate, celebrate, and continue building excitement and energy for a new year of 4-H learning.

This year's Fall Forum will be one day and there will be an in-person and virtual option. There are over 30 workshops to choose from and an outstanding keynote speaker!!

WI 4-H International Program

We have had a strong 4-H International Program in Wisconsin for years. COVID has provided us with an opportunity to evaluate the programs we have offered and strategize for future offerings. Adam Riley, UW Madison Student and WI 4-H International Program Assistant will be working to provide some Virtual Global Citizenship Programming this fall and to work with volunteers and staff to start planning for some possible exchange experiences in 2022.

WI State Fair Youth Expo Exhibits

There have been a lot of questions regarding this year's WI State Fair, especially around the process for nominating and selecting exhibits. We also recognize and acknowledge that the Youth Expo has been a part of the recognition and acknowledgement of outstanding 4-H project work from across the
